All Members are subject to, and MUST comply with, the By-laws of the Grand Lodge A.F. & A.M. of Idaho. Change of Membership

Section 1403. A brother desiring to change his membership from one Lodge in this Jurisdiction to another, may petition such other Lodge for membership before he is demitted, as follows:

1. His petition shall be accompanied by a formal certificate from his Lodge that he is a Master Mason in good standing at that time and free from indebtedness to the Lodge.
2. The petition shall take the same course before the Lodge as if he were a non-affiliate petitioner.
3. If he is elected to membership in the Lodge petitioned, the Secretary of such Lodge shall forthwith so certify to his former Lodge and apply for a Demit to be sent to the Secretary of the Lodge in which he is elected.
4. Upon receipt of the Demit, the same shall be made of record by the Secretary of the electing Lodge, and the brother shall be a member of that Lodge from the date of the demit.
5. His Masonic standing is not impaired by the rejection of his petition. He may at pleasure petition the same Lodge or any other Lodge for affiliation. He remains a member of his former Lodge until that Lodge receives notice of his election by another Lodge and issues a demit.
6. Similar procedure may be used in transferring membership from a Lodge under the jurisdiction of another Grand Lodge, if permitted in that jurisdiction.
